

Agency-in-Charge for Standardization

This has in relation to the National Standardization Act B.E. 2551 Section 30.

In case, where a Government Agency is already carrying out an activity in connection with Standardization in any specific field, the Council shall designate that Government agency to be the Agency-in-charge for Standardization in that specific field and the agency will have the same duties and power as the Committee which be mentioned under Section 13.

As per the resolution passed during the NSC meeting dated 1 June B.E. 2553, the following three Accreditation Bodies are assigned to be Agency-in-charge for the Standardization in the areas mentioned against their names -

1. National Bureau of Agricultural and Food Standards (ACFS) with the area of accreditation activities as -
 - 1.1 Food Safety Management System (FSMS)
 - 1.2 Product Certification on Organic and GAP
2. Department of Science Service (DSS) with the area of accreditation activities as-
 - 2.1 Testing Laboratory
 - 2.2 Proficiency Testing Provider
 - 2.3 Reference Material Producer
3. Department of Medical Science (DMSc) with the area of accreditation activities as-
 - 3.1 Testing and Medical Testing Laboratory
 - 3.2 Reference Material Producer
 - 3.3 National Good Laboratory Practice (GLP) Compliance Monitoring Authority (Designated on 27 August B.E. 2561)
(Remark: for inspecting and monitoring the compliance of the Test Facilities to the principles of OECD GLP for pharmaceuticals, pesticides, cosmetic products, veterinary drugs, food additives, feed additives, industrial chemicals. Others may be added and amended).
