

IAF MLA Committee Members

IAF Secretariat

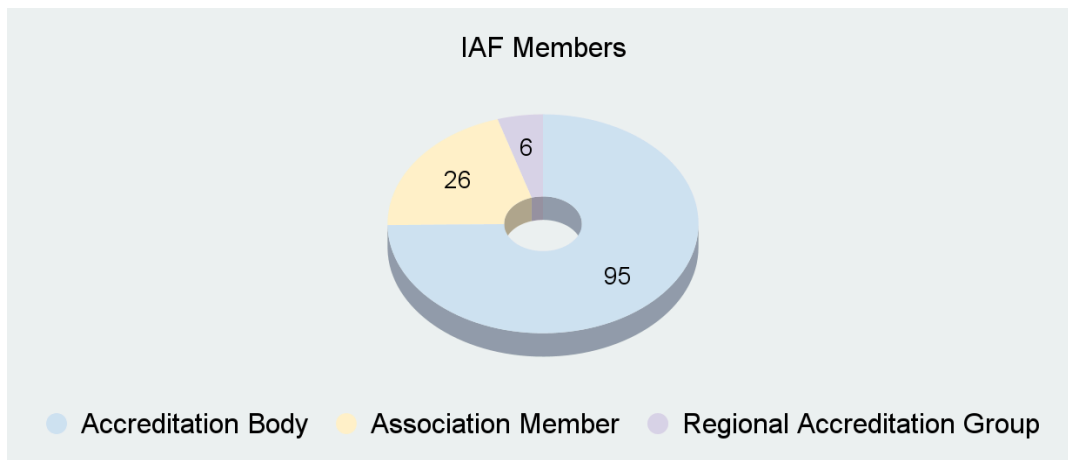

04 March 2024

IAF MLA Committee Members

Note: Each Member of the IAF is entitled to nominate one Representative to be a member of the MLA Committee (IAF PL5:2016 Clause 7.1.1). Given that the MLA Committee has responsibility for making decisions associated with both MLA policy and MLA signatories, the list of members consists of five tables.

IAF MLA Scopes	3
Table 1 - MLA Signatory Accreditation Bodies	4
Table 2 - MLA Signatory Regional Accreditation Groups	52
Table 3 - MLA Non-signatory Accreditation Bodies	57
Table 4 - MLA Non-signatory Regional Accreditation Groups	59
Table 5 - Association Members	60
MLA Summary	1

For decisions associated with MLA signatories, only the MLA Signatory Accreditation Bodies (listed in Table) 1 are entitled to vote. For all other MLA related matters all Accreditation Bodies and Association Members (listed in Tables 1, 3 and 5) can vote. Regional Accreditation Groups have no voting rights.

IAF MLA Scopes

Currently there are five main scopes for the IAF MLA: Management Systems Certification, Product Certification, Certification of Persons, Greenhouse Gas Validation and Verification, and Validation and Verification.

A main scope means certificates are 'equally reliable' because the conformity assessment bodies conform to the same standard. The combination of a Level 2 activity and the Level 3 relevant normative document is called a main scope of the MLA.

A sub-scope means the certificates are 'equivalent' because the management systems, products, services or persons conform to the same standard.

Sub-scopes are divided into two categories (Level 4 and Level 5), as described in section 2 of IAF PL3 - Policies and Procedures on the IAF MLA Structure and for Expansion of the Scope of the IAF MLA.

- MLA Level 1 – ISO/IEC 17011, specifies the criteria for accreditation bodies
- MLA Level 2 – Accreditation activities
- MLA Level 3 – IAF-endorsed generic normative documents used by accreditation bodies
- MLA Level 4 – IAF-endorsed sector-specific normative documents used by accreditation bodies
- MLA Level 5 – IAF-endorsed normative documents used by conformity assessment bodies
